

**DRAFT USA CRICKET BOARD OF DIRECTORS PLAYER DIRECTOR ELIGIBILITY LIST**

**In order to vote or run for a Player Director seat on the Board of Directors for USA Cricket, the Constitution provides the following:**

**Player Directors.** There shall be one (1) female Player Director and one (1) male Player Director, elected separately. To be eligible for election as a Player Director, an individual must: (a) qualify as an International Player; (b) be registered and in good standing with USA Cricket as an Individual Member as at the date of nomination; and (c) not stand in any concurrent election for any other position on the Board of Directors.

“International Player” means any individual who, in the ten (10) years preceding membership registration or renewal:

- i. **Male International Players:** has represented the men’s national senior team of the United States in any international cricket match or event recognized or sanctioned by the ICC.
  
- ii. **Female International Players:** has either (i) represented the women’s national senior team of the United States in any international cricket match or event recognized or sanctioned by the ICC; or (ii) represented the women’s national senior team of any other country in any international cricket match or event recognized or sanctioned by the ICC, provided that such individual is, at the time of membership registration or renewal, a citizen or resident of the United States. This definition will be reviewed to ensure that it remains fit for purpose within twelve (12) years of the date of adoption of this Constitution.

The list below includes the players we believe meet the definitions above however, we recognize there may be players we have missed over the last 10 years given the records that are available. If you believe you meet the definition above and should be included on the list below, please send an email to Eric Parthen, ICC Americas USA Project Manager, at [eric.parthen@iccamericas.com](mailto:eric.parthen@iccamericas.com) by no later than April 26, 2018. The email should include the name of the event you competed in for Team USA, the date of the event and some proof of participation (link or copy of scorecard, press release, etc.) Thanks in advance and please don't hesitate to email Eric if you have questions. Please remember that all International Players that wish to vote in the election **must be members of USA Cricket by 11:59pm ET on April 24, 2018.**
